RE: Planning Commission, September 2021

The Gearhart Planning Commission met September 9, 2021 at 6:05 pm. Commissioners present were Dideum, Dudley, Kloepfer, Smith, Taggard and Tomlinson. Commissioner Graff was absent. Chad Sweet, Carol Connell and Cheryl Lund were present for staff.

The Consent Agenda was approved. The correspondence from Bob Morey and Verizon was discussed separately. The letter to RJ Marx from Bob Morey was sent on August 20, 2021. No further correspondence was sent to the Planning Commission after that date. The correspondence from Verizon was for the Planning Commission's information. There was nothing to be reviewed as Gearhart has no site review standards. There was discussion about the false chimneys used to conceal the Verizon towers. Sweet reported that the bond issue for the new fire station has been put on hold because of the appeal filed.

At the direction of the staff, it was voted to move the public hearing on the Gearhart Parks and Recreation Master Plan to October 14, 2021.

The meeting was adjourned at 6:35 pm.

Sincerely
City of Gearhart

Virginia Dideum
Planning Commission President
