

CITY OF GEARHART

Staff Report

For City Council Meeting - 12/6/2023

Subject - Ordinances/Resolutions - Ordinance #941 An Ordinance Amending the City of Gearhart Zoning Ordinance Regarding the Placement of Political Signs in Gearhart

Synopsis: City Attorney Peter Watts has provided the attached DRAFT Ordinance #941 at the request of the City Council due to an interest in regulating temporary political signs. Below are some key areas that this Code addresses, as well as some discussion items that he has provided.

- Public Right-of-way or City Property: Signs on public property (such as parks, fire stations, and City Hall) or placed in the public right-of-way are not permitted.
- It is not always obvious if property is in the public right of way, so I have added flexibility related to potential fines. For instance, if the owner of the property placed a sign immediately adjacent to their property, the City could issue a warning.
 - If a sign is placed in the right-of-way or City property, it will be removed. A notice of violation will be sent to the responsible party; there is a possible fine.
 - The fine, if Council wants to go in that direction, would be set by Council. The Code as drafted also contemplates a fee if the owner wants to retrieve the sign. This would be set by Council.
- Additional temporary signs on private property in residential zones during election season:
 - The signs should be posted either on your property or with consent of the property owner.
 - No application or fees are required to post a sign on private property.
 - No sign shall extend into or over the public right-of-way of any street.
 - The maximum sign area is six square feet.
 - Signs may not be attached to trees, shrubbery, utility poles, or traffic control signs or devices.
 - Signage may not include the use of balloons or other moving, flashing, or animated parts.
 - The additional signs allowed during the election season must be removed no later than the fifth day following the election.
- While this Code has been drafted to address election signs, case law indicates that other ideological signs would need to be permitted prior to the election as well. One example would be a sign that contains a "=" sign, or a sign that says "vote" would likely be protected, although those signs don't specifically support a candidate.
- The Code can add that candidate signs would meet all state law requirements, but signs that may be "political" but not candidate-specific would not be required to have that information.

Council Options:

- 1) Motion to approve Ordinance #941 reading once by the title only;
- 2) Make changes and motion to approve as amended;
- 3) Take other action desired by the Council.

Recommendation: Staff recommends Council motion to approve Ordinance #941 reading once by title only.

Recommended Motion

Move to approve Ordinance #941 reading once by title only to establish a political sign ordinance in Gearhart.

Legal Analysis: Peter is available for questions. If passed tonight, the ordinance will be returned for a second read in January. If approved, it would take effect 30 days later.

Financial Analysis: N/A

Respectfully Submitted,

Chad for Mr. Peter Watts
