Dear Madame Mayor and Gearhart City Councilors,

It was a delightful thing to see all the activity with children on April 16th, for the Egg Hunt. This was just wonderful and I hope the fire department continues to sponsor such an upbeat event. One that continues to bring attention to all the good things about Gearhart that we all have the privilege of experiencing here. Lucky us.

That Saturday, I noticed the fire department had put out safety cones to alert drivers on Pacific Way that this activity was going on and to please proceed with caution. People did slow down, thankfully. And it was reassuring that traffic did respect the circumstances.

In that vein, given that the playground equipment is slated to be installed sometime this summer, I believe the council should consider signage of some sort to remind people to slow down as they pass the park where children are playing. I'm sure something appropriate could be figured out.

Thank you for your consideration.

Dear Mayor Cockrum,

Due to personal circumstances, I must regretfully resign from the Gearhart CityPlanning Commission, effective immediately. I was deeply honored to serve the city of Gearhart. I hope I helped a bit with our city's progression into the future.

Thank you all for the support you showed me during my tenure. I shall miss you all.

Sincerely,

David Smith
