

WHAT IS A CACHE CONTAINER PROGRAM?

In the event of an emergency, what if you had the option to access a personal bin full of clothing, food, and other supplies you hand-selected? A cache (“kaSH”) container program will make this option a reality for participating community members.

GEARHART

EMERGENCY CACHE CONTAINER PROGRAM

ESSENTIAL SUPPLIES

You bring them.

You pack them.

We store them.

Take the next step in personal emergency preparedness.

WELCOME

Gearhart has established a permanent evacuation site at the water tower off of Salminen Road to house city emergency supplies and our community cache container program.

Your cache container is ***purchased and owned by you.*** Securely stored within a large conex bin, the contents chosen are unique to you and are designed to assist until an emergency passes.

More than likely, the City of Gearhart will not have the resources to meet all of your needs. Owning your own container is the best option for personal well-being.

30 gallon
poly-plastic drum
with lid

EXAMPLE

SUGGESTED ITEMS

CERT recommends storing essentials relevant to survival during an emergency. Need a list to start?

Tents and/or tarps; sleeping bags; water storage containers; food variety – canned, dried, and freeze-dried – shelf-life can extend up to 30 years with freeze-dried food and 5-6 years with canned; warm clothing; first aid kit; sanitation supplies; light source and batteries; camp cookware.

Consider twice yearly access and expiration dates when selecting your items!

Please contact us for recommendations specific to you and/or your family. We are happy to help!

WHAT ITEMS ARE EXCLUDED FROM THE CACHE PROGRAM?

NO gasoline or kerosene

NO (contaminable) plastic water bottles

INVESTMENT

Cache Program Annual Storage Costs

Shop for your container based on the ***required specs*** below – fill it – we store it for the listed cost, billed annually:

30 gallon – \$40 per year

*~ polyethylene only, with lid
[29-30” H x 18-20” D; 14-16 lbs unfilled]*

Contact us for information on where to buy your 30 gallon drum locally!

WHEN IS MY PERSONAL CACHE CONTAINER ACCESSIBLE?

The evacuation site will open for owners to add/remove and rotate their personal cache items twice each year – April and October.
