CONTINGENT LAND TRANSFER AGREEMENT
(Contingent Transfer of Land)

DATED:

August 23rd 2021

BETWEEN: THE COTTAGES AT GEARHART, LLC
An Oregon Limited Liability Company

DEVELOPER

AND: THE CITY OF GEARHART
An Oregon Municipal Corporation

CITY

WHEREAS Developer holds right, title and interest in portions of real property, located at north of City's Urban Growth Boundary, shown on Exhibit A, hereinafter (the "Property"); and

WHEREAS the City has a strong interest in locating the City's Fire Station at the highest possible elevation, and to the extent possible, outside of the Tsunami Induction Zone; as well as access and egress to the Fire Station through easements to both Highway 101 and Highlands Ln; and

WHEREAS the City wants to provide an additional Park for the residents and visitors to Gearhart to enjoy; and

WHEREAS the Developer is interested in developing the Property within the City's Urban Growth Boundary at the R-1 Density which would provide more residential lots than under Clatsop County's Zoning; and

WHEREAS the City has land in the City's mapped Urban Growth Boundary, that is West of the State's No Build Line; and

WHEREAS no structures can be located West of the State's No Build Line; and

WHEREAS the Parties agree it is in their mutual best interest to bring the Property into the City's Urban Growth Boundary in exchange for lands necessary to build the Fire Station, the Park, and to have easements for multiple access points.

NOW THEREFORE

Developer desires to transfer to City, and City desires to receive from Developer, a portion of Developer's right, title and interest in the portions of the Property, described in **Exhibit A** on the terms and conditions set forth in this Contingent Land Transfer Agreement (the "Agreement"). Additionally, Developer agrees to provide the City with access easements to both Highway 101 and Highlands Ln. There are two possible accesses to Highlands Ln., depicted on Exhibit B. Developer agrees that the City can select either option. City will be responsible for those easement applications, and Developer agrees to fully cooperate in that process. City agrees to construct the necessary driveways. City acknowledges that the Developer is transferring the Property to City so that it can be used for public purposes with one parcel

being used for the primary purpose of a City Park. The second parcel is intended to be used for a future Fire Station. City agrees City will record deed restrictions necessary to insure that the Property will be used for the public benefit, in perpetuity.

1. **PURCHASE AND SALE OF THE PROPERTY.** Developer agrees to transfer Developer's interest in and to the Property to City and City agrees to accept Developer's interest in and to the Property from Developer on the terms and conditions set forth below. The transfer of the Property is contingent on:

- A. City bringing the Property into the City's Urban Growth Boundary, with an R-1 residential zoning designation.
- B. Developer receiving approval for a subdivision containing 4 units per acre, as set forth as an outright permitted use under the City's R-1 Zone.

2. **TERMS OF THE TRANSFER.**

2.1 **Consideration for the Transfer.** The Parties agree that the City bringing the entire property into the Urban Growth Boundary is valuable consideration, and both the future Park and a potential future Fire Station are amenities.

3. **PRECONDITION TO PARTIES OBLIGATION.** In addition to the Preconditions listed in Section 1 of this Agreement, the following preconditions also apply.

3.1 **City's Inspection.** At City's expense, City may have the Property inspected by one or more professionals of City's choice. City shall specifically identify in this Agreement any desired inspections which may include testing or removal of any portion of the Property due to the possible presence of any environmentally hazardous substance or condition. If an inspection shows a material defective condition in the Property, City may terminate the transaction by delivery to Developer of a written notice of City's disapproval of the inspection report by the date stated in Section 3.2. City understands that if City does not disapprove of an inspection report in writing within the time provided, that constitutes acceptance of the condition of the Property.

3.2 **Termination.** In the event that City is unable to bring the Property into the Urban Growth Boundary, in twelve calendar months, this Agreement will terminate, unless both Parties agree to extend the term.

4. **DEVELOPER'S TITLE TO THE PROPERTY.**

4.1 **Title Report.** As soon as practicable after the execution of this Agreement, Developer at its expense shall furnish to City a preliminary title report from Pacific Title Company of Gearhart ("Title Company") showing its willingness to issue title insurance on the Property together with full copies of all exceptions. City shall have ten (10) days after receipt of the preliminary title report and exceptions within which to notify Developer in writing of City's disapproval of any exceptions shown in the report, other than exceptions for any liens to be satisfied by Developer at Closing. In the event of such disapproval, Developer shall have until

the Closing to eliminate any disapproved exception. Failure of City to disapprove any exception within the 10-day period shall be deemed an approval of the exceptions shown in the title report. If Developer is unable to eliminate any disapproved exception, the City may either elect to rescind the Agreement by notice to Developer or elect to waive its prior disapproval and proceed to close the sale.

5. **DEVELOPER'S REPRESENTATIONS AND WARRANTIES.** Developer makes the following representations and warranties, which representations and warranties will survive Closing and the conveyance of the Improvements to City:

5.1 Developer is the owner of the Property and has the right and power to transfer the Property to City.

5.2 Developer has received no written notice from any governmental agency of any violation of any statute, law, ordinance, or deed restriction, rule, or regulation with respect to the Improvements.

5.3 Developer is not a "foreign person" as that term is defined in IRC § 1445. On the Closing, Developer will execute and deliver to City a certification of the nonforeign status on a form required by the IRS.

5.4 Except as provided above, Developer has made no representations, warranties, or other agreements concerning matters relating to the Property. Developer has made no agreement or promise to alter, repair, or improve the Property. City represents that City has made their own examination of the Property and is buying the Property based on City's own examination and personal knowledge of the Property and that City takes the Property in the condition, known or unknown, existing at the time of this Agreement "AS IS." Developer has provided City with a Developer's Property Disclaimer Statement.
